D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

March 30, 2001.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on November 2, 2000, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, man-made fiber, silk blend and other vegetable fiber textile products, produced or manufactured in the United Arab Emirates and exported during the twelve-month period which began on January 1, 2001 and extends through December 31, 2001.

Effective on April 9, 2001, you are directed to reduce the limits for the following categories, as provided for under the Uruguay Round Agreement on Textiles and Clothing:

Category	Adjusted twelve-month limit ¹
335/635/835	216,596 dozen.
351/651	241,896 dozen.
638/639	315,517 dozen.
647/648	452,241 dozen

¹ The limits have not been adjusted to account for any imports exported after December 31, 2000.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

It will allow DTIC to compile customer data which does not currently exist.

Information gathered from discussions with customers is maintained in various nondigital formats but is not considered to be quantifiable in terms of customer

satisfaction factors because of its anecdotal nature. Because DTIC offers 23 products and services to approximately 3,700 registered users, no cheaper method exists to collect this data other than a survey instrument. These surveys are required to implement Executive Order 12862, "Setting Customer Service Standards." Respondents are DTIC registered users who are Department of Defense contractors and potential contractors; U.S. Government organizations and their contractors; and participants in the Small Business Innovation Research/ Small Business, Technology Transfer, Historically Black Colleges and Universities, and University Research Support programs.
